

# St. Albert the Great Track & Field Team 'Foot' Notes 2010

Congratulations to all members of the 2010 St. Albert Track & Field Team. We have had another successful season. At the Saturday meets, our runners, jumpers and shot putters achieved numerous personal bests. In April, several team members were selected for the prestigious Penn Relays held at Franklin Field. In mid-May, more than half of the team participated in the Region 11 Championship meet. Team members that placed in the 'top 8' qualify for the Area 'C' Championship.
